

# 2021 Playoff Rules

1. Matches will be played under the same rules as the regular season. Play the same box of tees as during the regular season.

2. Each A vs A and B vs B Match is worth 2 points per hole won, 1 point per hole tied. So there are 18 hole by hole points that can be won by each player.

A Match = 18 points max

B Match = 18 points max

-----

Total Team Match Points = 36 max

***The first team to win 19 total hole by hole points will win the match and move onto the next round.***

3. If an 18 to 18 tie in the total match points occurs the higher seeded team will win and move onto the next round except for the Grand Finals. Ties in the Grand Finals will be determined by sudden death holes until the tie is broken.

4. You may concede a hole to your opponent at any time. Handicaps are now based on your complete season stroke average and are locked through the entire playoffs. Pick up when you have lost the hole.

5. Subs can be used if necessary but must have at least 4 rounds played in any Sugar Isle golf league to have an established handicap. Players who were on other teams that have been eliminated, or play on other nights/divisions, are eligible to be used as subs. Subs who do not have 4 rounds and an established handicap will default to the A player and have 0 HDCP.

6. **Grand Finals:** The winner of each night's playoffs will be play an 18 hole championship on Sunday October 3rd @ 9:00am.

- Front 9 = 9:00 - Tuesday Winner vs Wednesday Winner  
9:09 - Thursday Winner vs Wild Card Winner

Back 9 = 11:00- Front 9 winners play for 1st/2nd  
11:09- Front 9 losers play for 3rd/4th
